Expo Village – Cascina Merlata

Work description

The new development “Cascina Merlata” is located in the north-western part of Milan, close to site of Expo 2015, and the Rho-Pero Exhibition ground.

One of the main features of this development is the realization of 52,459 sqm of residential buildings. Artelia’s services refer to units R9.3 and R11 which include 11 residential tower for about 681 apartments, 608 parkings and 104 underground parking spaces. Great emphasis will be given to the comfort of the apartments, to the optimization of the internal microclimate and to energy saving principles.
