## Orio Shopping Centre

### Work description

On 25<sup>th</sup> May, 2017 the new 35,000 sqm expansion of the Orio Shopping Centre was inaugurated in the outskirts of Bergamo. The Orio Shopping Centre is owned by Commerz Real. The expansion was executed by Italy's Percassi Group, which was also responsible for the original development of the property and, in addition, owns parts of the new areas.

Artelia Italia was appointed by Commerz Real to perform project monitoring and project control activities relevant to the extension, having performed in the past years the same services for the first lot of works.

Covering 105,000 sqm of retail space and with 280 stores, 50 bars and restaurants, a 4 star hotel, Europe's largest IMAX cinema and 8,000 car parking spaces, it is Italy's largest shopping centre. The global investments amounts roughly 410 million Euro, of which about 80 for the expansion. It recorded more than ten million visitors in 2016.
